A spectacular wedding day. Thank you for making our wedding day spectacular. You and your team did everything as planned and nothing was an issue so, thank you. It was an amazing day and evening. Once we had come down the stairs, we forgot the time, the plan...everything just fell into place and just happened. We couldn't have wished for a better day.

Incredible venue, incredible team. From the moment we first drove up to Leigh Court we knew this was going to be an amazing wedding venue. The house is gorgeous and gives a stunning backdrop for photos. It is set in beautiful grounds which our guests enjoyed very much on our sunny wedding day. It is a not-for-profit organisation, so the money from weddings is invested back into the building and into the local community. Above all, the team were exceptionally professional and proactive in the run up to and during our wedding. Claire went through everything with us in helpful detail which enabled us to relax, knowing that the day would run smoothly! On the day itself, everything went to plan, the food was amazing, the service exceptional and we just had the best day. Everyone was commenting on what an amazing venue it was, thank you so much to the whole team for making our wedding so special!

The best day of our lives! Couldn't have had a better venue! Leigh Court was the first and only venue my Husband and I visited while planning our dream wedding. From the moment we walked into the building, we absolutely loved the atmosphere and the design, and it ticked every single box for us. From booking in our date, all the way up until the day before, Claire was an absolute gem, and really went above and beyond for us. On the day, Giles was amazing at orchestrating everything, and ensuring our day went off without any issues. I really cannot fault Leigh Court at all, they are amazing at what they do, and because of them, my husband and I had the wedding of our dreams. If I could rate them 100 stars, I absolutely would. Thank you to everyone at Leigh Court, especially Claire and Giles, for making us very very happy newlyweds!

A Massive thank you Me and D just wanted to say a MASSIVE THANK YOU, the day was stress free from start to finish. We were both so happy to how it was all set up, it looked so great. Food was so yummy, Giles, Berry Blue and the team were so helpful & friendly. We had a lot of guests from Bristol, who have never been to Leigh Court and were blown away by the amazing building.

All the best A & M Wedding date 14th April 2023

A great experience from start to finish. From start to finish the whole experience was great. Claire and the team from Berry Blue were supportive and helpful with the planning and were able to accommodate all our needs. The venue is stunning and plenty big enough and value for money. Our day went so smoothly and we experienced the best day with help from Giles and Tegan. I can 100percent recommend using Leigh court for a wedding venue and thank Claire, Giles, Tegan and all the team at Leigh Court and Berry Blue for making the day perfect. T & H Hi Claire, the day was just so perfect that we had to say thank you. You, and the entire Leigh Court Team, were simply amazing. Every single detail was considered, and taken care of. You put both K and I at ease from start to finish. Thank you so much for providing us with the most magical of weddings, it really was faultless.

Very best wishes, M & K Xx

Thank you for everything organised for our wedding. The whole build up from booking to the day itself was seamless, so thank you.

We had a wonderful day, and that's a lot down to Giles, he was so friendly, organised, and always had an answer to any questions we had, he helped ensure we and the guests were always in the right place at the right time, which is a skill in itself, so please thank him for us when you can. Katie from Berry Blue was also fantastic, and we have emailed them separately.

Our guests all loved the building, and commented on what a lovely venue it was for a wedding – the fact we had the sun shining all day was an added bonus.

Thank you again from both of us, for everything,

T & N
