

COTHELSTONE MANOR
WEDDING VENUE

ABOUT

Nestled at the foot of the Quantock Hills in Somerset, Cothelstone Manor is a magnificent Grade II* listed Elizabethan manor house, set within the Cothelstone Estate.

Rich in history and surrounded by nature, Cothelstone offers a truly bespoke venue for your special day.

OFFERING

We host only a handful of weddings at Cothelstone Manor each year, making our venue truly exclusive.

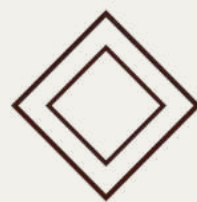

With access to the venue from Thursday morning to Sunday evening and over two acres of grounds to call your own, Cothelstone Manor is yours to curate a fully bespoke celebration, with us supporting you every step of the way.

COTHELSTONE CHURCH

A stone's throw from Cothelstone Manor, the Church of St Thomas of Canterbury offers a truly special location for your ceremony and can seat up to 120 + 26 people. A winding flower lined path takes you the short distance from the Manor to the Church, which sits nestled in Cothelstone Park.

CELEBRANT CEREMONY

If you're looking for a more personal ceremony, Cothelstone Manor is a great place for a Celebrant-led wedding. You can say your vows in the grounds of Cothelstone Manor or the wider Cothelstone Estate.

The Celebrant-led option lets you create a ceremony that's really about you, whether you want something spiritual, non-religious, semi-religious or to include your own special traditions. At Cothelstone, your wedding ceremony can be exactly how you want it.

RECEPTION

Kick off celebrations with your drinks reception in either our Walled Garden, Front or Back Courtyard.

Move into your marquee for the wedding breakfast. Anything from long rustic sharing tables to more formal dining arrangements - we will help bring your vision to life, before dancing the night away.

FOOD & DRINK

We can recommend a selection of exceptional local caterers and have a list of brilliant late night food options.

Enjoy the freedom to supply your own drinks, from fizz at arrival, wine on the table to late night G&T's (no corkage).

ACCOMMODATION

Cothelstone Manor sleeps fourteen + two people over seven bedrooms, and a 2-night stay is included as part of the wedding venue hire.

There is also the option to have a glamping village in the grounds as well as lots of other local offerings.
